

## NOWTHEN SEEKING QUOTES TO MOW THREE CITY PARCELS IN 2022 THIS SPRING, SUMMER, AND FALL.

May 18, 2022

The city owns the three parcels in the business area depicted on the map on page two. The city is asking interested independent contractors to provide quotes and a general schedule for mowing all three this spring summer and fall. The city expects that once the vegetation on a parcel reaches a maximum of thirty-six inches, the independent contractor will mow the property and retain the cuttings as grass hay in partial compensation for the work done.

Immediately following each mowing, the cuttings will be completely removed from each property and disposed of in accordance with city code. The independent contractor can select the day, time, and method for completing the mowing except that all parcels shall be cut the week of September x to y to no more than three ½ inches tall so the lots may be used for parking for Nowthen Heritage Days.

In exchange for the grass hay the independent contractor selected by the city will pay the city \$\_\_\_\_\_ on the last day of each month from June through November. If the independent contractor fails in any aspect of these responsibilities the city reserves the right to terminate this agreement with five days' notice written with no responsibility for paying amounts owed but not invoiced for previous months. The independent contractor shall agree to submitting a signed waiver and certificate of insurance prior satisfactory to the city attorney prior to the initiation of any work.

Contractor Business

Name \_\_\_\_\_

Representative \_\_\_\_\_

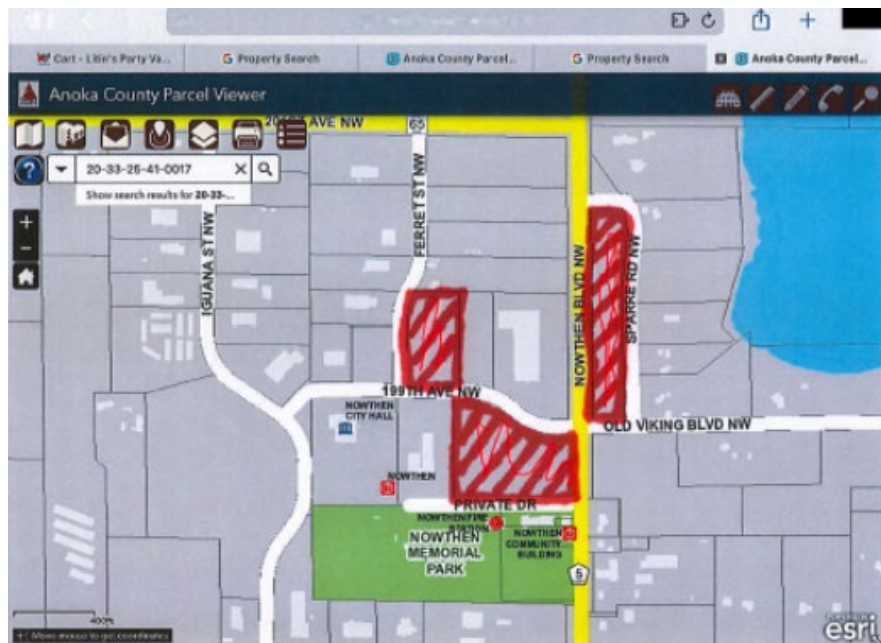

Contractor Business Address \_\_\_\_\_

Contractor Phone \_\_\_\_\_

Contractor Email \_\_\_\_\_

I submit the quote above and agree to all terms set forth above(signed) \_\_\_\_\_

Quotes for the work are due to the city no later than 4:30pm Monday, May 30, 2022. Please direct questions to Frank Boyles at 763-274-1927.

 Lots to be mowed on behalf of the city during Spring Summer and fall. All property to be mowed shortly before September Nowthen Heritage Festival.
