Karly Baraga Werner
Comcast Cable Communications, LLC
10 River Park Plaza
St Paul, MN 55701

Dear Karly:

I am pleased to inform you that Comcast Cable Communications, LLC's Comcast/ City of Nowthen application for the Minnesota Border-to-Border Broadband Infrastructure Grant is approved.

As outlined in your application, Comcast-Xfinity is expected to invest the following:

- \$8,498,043 in overall eligible expenditures in the Comcast/ City of Nowthen project, including the \$2,549,413 in state grant funds contributed and awarded to you under this grant program.

The grant will have a 2-year term, in which the project is expected to be completed as stated in your application.

A grant agreement is being prepared by your Broadband Grants Administrator, along with information on performance goals, reporting, and the process for requesting grant funds. For additional information, please email the Office of Broadband Development at deed.broadband@state.mn.us.

Thank you for advancing border-to-border broadband development in Minnesota. We are excited about your project and look forward to the long-term community and economic development success made possible by this infrastructure investment.

My best regards,

Matt Varilek
Commissioner
